

## Media Release

### Crime Stoppers is Looking for New Board and Community Committee Members

(October 2008) Crime Stoppers is a partnership that merges the media, the police and the public with the aim of solving crime and keeping our communities safe.

Crime Stoppers is a non profit charitable organization that is supported by donations of money, goods, services and **volunteers**. Committee and board members from across Simcoe, Dufferin and Muskoka hold events and fundraise to increase public awareness and raise the necessary funds to support the program. The program works because people are committed to their communities and get involved.

Crime Stoppers of Simcoe-Dufferin-Muskoka is looking for volunteers from our communities to assist the Crime Stoppers program by getting involved as committee members or to the board of directors. If you have the time to commit to a worthwhile community orientated organization that will aid local police keep our communities safer call us for an application.

The conclusion to this year promises to be busy for Crime Stoppers of Simcoe- Dufferin-Muskoka. We would look forward to working with new committee members or board members in an effort to assist the police in their fight against crime.

For more information on the program and becoming a volunteer contact our office at (705) 726-2237 or view our website at [www.sdm-crimestoppers.com](http://www.sdm-crimestoppers.com).
